Offer Clinicians and Students Unlimited, Anytime Access to Essential E-Books

It can be a challenge for clinicians and nursing students to keep up with the ever-expanding quantity of resources needed to stay current in their field. This subscription collection eliminates that worry by featuring more than 4,200 hand-selected e-books designed for use in clinical settings, biomedical libraries and academic-medical institutions.

The availability of specific e-books varies by region. Please contact us for a current title list.

Why Subscribe to EBSCO eBooks:
